Give Back Program

Application

Your organization wins when you choose Bates Collision Centers for collision repairs.

Bates will donate 3% of each referred repair total to your nonprofit organization. We supply you with all of the tools you need to promote the program and you supply the customers. Have them bring the supplied certificate to Bates when dropping their vehicle off for repair. When the repair is complete, we will send a check for the 3% directly to your non-profit organization. Along with the check, we'll send a letter, letting your organization know whom the gift was from. It's a win/win for everyone!
